

Olive View-UCLA Medical Center
VACANCY ANNOUNCEMENT
REGISTERED NURSE II
OPERATING ROOM

Position Information

Seeking a highly qualified individual to fill the position of Registered Nurse II to provide nursing care in the Main Operating Room.

- The Registered Nurse II performs increasingly complex patient assessment, independently assesses, plans, implements and evaluates patient care as part of the interdisciplinary team.
- The Registered Nurse II assumes the role of preceptor, mentoring, and leading other nursing and non-nursing staff, demonstrating effective leadership style.
- The Registered Nurse II will participate in organization-wide committees and projects.
- Responsibilities also include, but are not limited to:
 - The delivery of individualized nursing care to patients in the Main Operating Room
 - Have ability to Circulate and Scrub in a variety of complex surgical cases
 - Communicate pertinent patient data to appropriate health care professionals.
 - Perform nursing interventions utilizing the nursing process.
 - Follow standard AORN Guidelines
 - Revise care plan as necessary based on continued assessment of the patients
 - Apply and monitor the principles of aseptic technique
 - Provide education to patients and their families.

This position will report to the Charge Nurse or Nurse Manager

Essential Qualifications:

- A current and valid License to practice as a Registered Nurse issued by the California Board of Registered Nursing
- Be current and reachable on the Registered Nurse II certification list or currently hold the item of Registered Nurse II
- Three (3) years of recent experience as a registered nurse in the Operating Room
- Ability to provide direct patient care, including patient assessment, scrubbing, circulating, and evaluating nursing care, treatment or intervention in an OR setting
- Able to recognize the need to prioritize patient care needs based on acuity and urgency, in collaboration with all members of the healthcare team
- Perform work with integrity while demonstrating respect, empathy and regard for patients, visitors and co-workers to ensure a professional and courteous environment
- Serve as a professional role model and effective resource person for others
- Assume accountability for leadership of the unit/shift when needed

Desirable Skills:

- Strong clinical background
- Strong verbal and written communication skills
- Self-motivated
- Team Player
- Strong organizational skills and ability to prioritize
- Ability to work with various levels of staff to coordinate patient care.
- AORN Member is a plus.

Interested applicants should submit their resumes, their last two performance evaluations, and time record for the last year to:
